Thank you SNC for the invitation to judge at Jersey and the JBDC for their hospitality. At least the rain stopped for our six teams today.

Five good passes in testing conditions, lovely to see both young and veteran dogs enjoying their swim.

Pallot's Ninja - Stanebernes Wave Rider

Judges Report:

Our thanks for the invitation to judge at this test. At times the conditions were challenging, due to the variable wind strength and direction.

Eight entries & four passes, the 4 who didn't pass just need a little more time as they showed promise.

The JBDC, as usual, provided a great, well-managed venue and hospitality.

Section C

Judes: Jeff Burr ridge & Steve Pallot

Entries: 2 Pass: 1 Fail: 1

Taylor's Kitchi – Bagglebears Thundermoon At Mollynewf

Judges Report:

We tested two dogs at this Section today, with one lovely pass, the other dog failed to get out of the boat in time, being just 8 seconds over.

The water conditions were difficult, due to wind and current on the lake.

Thank you to the SNC for asking us to judge and the JBDC for keeping us fed and watered.
