My thanks to the SNC and Friends of JBDC for asking me to judge at this event.

Today the weather was much more friendly & the lake was like a mirror at the end of the day.

Nine entries, one withdrew, four passes and several very close! Underwater retrieve was a stumbling block again!

We tested two dogs today, unfortunately, neither passed. Both teams worked well, but the windy and rough conditions put them off.

Thanks to the SNC for asking us to judge. Thanks also to all the stewards and JBDC.
